

Elephant

Neuland, 2010

**Armchair / Lounge armchair / Rocking armchair /
Square, rectangular and round table / Folding version /
High table / Occasional table**

La nervatura di rinforzo della scocca ricorda la spina dorsale di un elefante. Un gioco di combinazioni e abbinamenti la rende versatile per ogni ambiente.

The reinforced ribbing of the structure is reminiscent of the backbone of an elephant. An interplay of combinations and matchings makes it versatile for any environment.

Die Rippenverstärkung des Aufbaus erinnert an das Rückgrat eines Elefanten. Ein Wechselspiel von Kombinationen und Zusammenstellungen machen das Modell in jeder Umgebung vielseitig einsetzbar.

La nervure de renfort de la coque rappelle l'épine dorsale d'un éléphant. Un jeu de combinaisons et d'associations permet de l'insérer dans tout type d'espace.
