

Colander

Patrick Norguet, 2015

Chair / Stool

Una collezione ricca e trasversale. La seduta Colander si è evoluta nel tempo a partire dalla versione con texture forata, che ricorda uno scolapasta.

A varied and versatile collection. The Colander chair has evolved over time from the version with a perforated texture, reminiscent of a colander, to the new curved wood and padded versions.

Eine reichhaltige und raumübergreifende Kollektion Der Stuhl Colander hat sich im Laufe der Zeit weiterentwickelt, von der Version mit gelochter Textur, die an einen Nudelsieb erinnert, bis hin zu den neuen Varianten aus gebogenen Holz und gepolstert.

Une collection riche et transversale. La chaise Colander a évolué au fil du temps, à partir de la version avec surface perforée rappelant une passoire jusqu'aux nouvelles versions avec dossier et assise en bois courbé ou rembourrés.
