## Rectangular and oval table / Console table

La scultorea base in lamiera di metallo del tavolo e della consolle ha un mistico foro ovale ottenuto con numerosi passaggi di stampaggio e piegatura della materia.

The sculptural sheet metal base of the table and the console table has a mystical oval hole obtained with many steps in moulding and bending the metal.

Das skulpturale Grundgestell des Tisches und der Konsole aus Metallblech zeichnet sich durch ein rätselhaftes ovales Loch aus, das durch zahlreichen Spritzguss – und Biegedurchgänge des Werkstoffs entsteht.

Le piètement sculptural en tôle métallique de la table et de la console a un trou ovale mystique réalisé après de nombreuses opérations de moulage et de pliage de la matière.
