

BONALDO

Itala too

Designer: **Gino Carollo**

Thanks to its elegant and understated design, Itala too integrates perfectly with the various spaces of the home, integrating skilfully within contemporary and fun furnishing as well as chic and “nostalgic” settings. The comfort of the adjustable height stool is guaranteed by the accentuated

padding of the seat, while the backrest, which becomes slimmer as it reaches the top, defines the light and linear silhouette. The upholstery is available in fabric, leather or eco-leather; the base and the footrest are available in various colours to ensure maximum customisation.
