

# BONALDO

## Mida, Miss Mida, Mida large

Designer: **Gino Carollo**

The Mida collection is named after the mythical King Midas who turned everything he touched into gold. Similarly, Mida seating adds a touch of style to any space, featuring a backrest with a generous, enveloping shape and a metal base that gives the structure a harmonious design. The soft padding of the seat and backrest, combined with the

exquisite upholstery offered by Bonaldo, make Mida the ideal element to position in a living area, around a table or in the Mida too stool version, in front of a bar top. The Mida modern high back chair design collection includes a chair (Mida), a chair with armrests (Miss Mida), a version with a wider seat (Mida large) and a stool (Mida too) in two different heights.
